

**Ronald Wilkinson, P.E., LEED™ AP**  
**Senior Commissioning Project Manager**  
**AKF Group, LLC**  
**New York, New York**

Ron is a nationally published author and speaker on commissioning quality assurance procedures for the building construction industry. He is an ASHRAE Distinguished Lecturer and an AIA Continuing Education provider. He produced the first USGBC LEED commissioning training program, the first New York City Department of Design and Construction commissioning training DVD and continues speaking nationally and internationally.

He is on the editorial board of Heating/ Piping/ Air Conditioning Engineering (HPAC) magazine and is also published in the ASHRAE Journal, American School and University, Engineered Systems and Engineering News-Record magazines, among others. He is recording secretary of ASHRAE GPC 0.2 and 1.2 committees developing guidelines for commissioning existing building systems and is former co-chair of the NASFA Commissioning Guideline Committee which published its “Building Commissioning Recommended Guidelines” in 2003. His NEEA “Best Practices in Commissioning” was published in 2000.

Ron is founding chair of the AIA Committee on the Environment (COTE) Commissioning Advisory Sub-committee and selected papers for and moderated the inaugural COTE commissioning symposium “Vision 2009: Building Commissioning.” He is on the Building Commissioning Association Marketing and Outreach committee and the founding steering committees of both the Northwest and Northeast BCA chapters. Ron earned his BSMAE from the Illinois Institute of Technology and his master of Public Administration from the Evergreen State College. He is currently Senior Commissioning Project Manager with AKF Group, LLP in New York City.
