Scholarships are awarded based on the following and for the academic year following the application deadline beginning with the fall semester:

1. Full-time enrollment in an accredited undergraduate engineering or engineering technology program recognized by ASHRAE and listed for each scholarship (Note: enrollment in an architecture program accredited by the National Architectural Accrediting Board (NAAB) in North Carolina, South Carolina or Georgia is accepted for the Region IV/Benny Bootle Scholarship).
2. A cumulative grade point average (GPA) of at least 3.0 on a scale where 4.0 is the highest and/or a class standing of no less than the top 30% evidenced by an official transcript of grades or statement from a school administrator.
3. Three signed letters of recommendation, including one from an instructor or faculty advisor, a current or past employer, and another character reference. In the case of institutions with an ASHRAE student branch, include a letter from the faculty advisor of that branch (may be one of the three letters of recommendation).
4. Evaluation form completed & submitted by the Student Activities Chair or officer of nearest ASHRAE chapter following an interview with the applicant.
5. Potential service to the HVAC and/or refrigeration profession
6. Financial need
7. Leadership ability (activities, leadership roles, community service, etc.)
8. Work Ethics (summer jobs, part-time jobs, etc.)

**IMPORTANT: Complete and submit one application and the following supporting documentation on or before the application deadline: an official transcript of grades (if college grades are not available by the application deadline, submit high school transcript and verification of enrollment or letter of acceptance from a post-secondary educational institution) and letters of recommendation (see above).** Transcripts must be mailed and reference letters must be signed. Re-applications accepted from former scholarship recipients and applicants provided current criteria is met.

I believe all of the above information to be true and complete and I hereby apply to the American Society of Heating, Refrigerating and Air-Conditioning Engineers, Inc. for an ASHRAE Scholarship. I certify that I am not receiving full funding for my education from an employer, any branch of the Armed Services or other organization. I authorize ASHRAE to obtain and review my academic records (including but not limited to official transcripts). In signing below, I agree to hold ASHRAE harmless from any and all liability for damage, injury, or loss sustained by me in connection with this application, including but not limited to, the acquisition by ASHRAE of my academic records.

I authorize ASHRAE to forward this application to an ASHRAE chapter in my area for possible consideration of local scholarship opportunities.
